

Course pottery/modelling/raku

I will tell you all about raku, its history and its baking technique. Using white sandstone, the idea is to guide you to create some simple pieces such as a bowl or a box that will be sublimated by raku baking. During this course, I will accompany you in your creation process.

SUMMARY OF THE EXPERIENCE

Price

150€ per person

Calendar

From July to September.

Includes

Raw materials, tools and basic first baking

Duration

The course consists of 5 hours of creation and a 3-hour morning aimed at raku baking.
