

Creative ceramics workshop

Building a utilitarian or a decorative object, with hand building methods, to learn and enjoy with clay. The potter, Annick Galimont, creates elegant, personal, unique useful and artistic objects inspired by nature in her small welcoming workshop-boutique in the commercial pottery area of La Bisbal d'Empordà. In her premises, with a calm, pleasant atmosphere, you will find, among other things, all kinds of tea and coffee sets and, if you feel like it, on her advice you can make your own creations!
