

Find out about what happens in a ceramic workshop

Do you know how to make a piece of pottery from the clay collected in the streams of Esparreguera? Have you ever thought about how a ceramic kiln works? Come! You'll discover what they did, how they worked and even how the pottery families who still had the workshops at full capacity in 1960 to supply the city of Barcelona lived.

SUMMARY OF THE EXPERIENCE

Price

To consult

Calendar

Monday to Saturday all year round

Includes

Guided tour and video

Duration

The duration is one hour

Aimed at

Adult groups and families

Number of people

Maximum 15 people

Accessibility

Very interesting for blind people

Location

Carrer Barcelona, 60
08292 Esparreguera
