

Silk Route

This is an immersion into artenseda's artistic workshop. A kind of guided tour will allow you to know about the way we work on silk and to discover our creation space and our showroom. You will have the opportunity to live the experience of painting on silk in the artist's workplace by making a joint work with your family or friends. The activity can be customized according to content, duration and number of participants. Live an original experience with your people and discover the artist we all bear inside.
